

Grand Master of Multiplication

Our Grand Master of Multiplication tests are used each term to track how well children are progressing with their times tables knowledge. Levels 1 – 11 have 20 questions each whilst level 12 has 40 questions. Children are given 2 minutes to complete the test. At least once each term children will be tested and can try to achieve the next level (and get the next badge!).

Tests will not be handed out for children to learn as they can learn what answers go where without learning their tables! If you would like to support your child reaching the next level the list below shows what is contained in each level.

Level 1 – Bonds to 10

Level 2 – $\times 2$, $\times 5$, $\times 10$

Level 3 – $\times 2$, $\times 3$, $\times 4$, $\times 5$, $\times 10$

Level 4 – $\times 2$, $\times 3$, $\times 4$, $\times 5$, $\times 10$, $\div 2$, $\div 3$, $\div 4$, $\div 5$, $\div 10$

Level 5 – $\times 2$, $\times 3$, $\times 4$, $\times 5$, $\times 6$, $\times 7$, $\times 8$, $\times 9$, $\times 10$, $\div 2$, $\div 3$, $\div 4$, $\div 5$, $\div 10$

Level 6 – $\times 2$, $\times 3$, $\times 4$, $\times 5$, $\times 6$, $\times 7$, $\times 8$, $\times 9$, $\times 10$, $\div 2$, $\div 3$, $\div 4$, $\div 5$, $\div 6$, $\div 7$, $\div 8$, $\div 9$, $\div 10$

Level 7 – All tables facts to 12×12 and $144 \div 12$

Level 8 – Multiplying multiples of 10 e.g. 90×8

Level 9 – Multiplying and dividing multiples of 10 e.g. $720 \div 8$

Level 10 – Using multiplication facts with decimals e.g. 0.9×7

Level 11 – Using multiplication and division facts with decimals

Level 12 – Using multiplication and division facts with decimals (40 questions)
