Re: Inviting you to a Year 3 parents presentation and workshop

Dear Parents and Carers,

We would like to invite you to an important presentation about your child's education with us on Monday 12th November 2018. The session will be repeated twice, you can either attend at 1.30pm or at 6pm, it will last for around an hour and a half. We do ask that you make every effort to attend one of these sessions.

The presentation will be around how you can support your child's learning at school, our learning ethos and curriculum and a Maths workshop demonstrating how we teach Maths today. As your child has just arrived, it is a really important period in their education and we want to ensure that both our pupils and parents are prepared for their learning journey with us.

Please can you return the reply slip below, to indicate your attendance. If you are unable to attend either, please do let us know so we can arrange to meet at another time in order for you to have this important information.

Yours sincerely,

Mr S Pywell, Headteacher.
