Introduction

The Trustees of this Academy are the Admission Authority for St. Stephen's Junior School.
(DFE 886 2608)

In order to meet the needs of the local area and to fully comply with the School Admissions Code, the Admission Authority are required to consider and consult for at least 6 weeks on any changes, or every seven years if no changes have occurred.

There will be no changes to our Admission Arrangements for 2026/2027.

The Admission Authority will consider any comments made within this consultation period and determine the arrangements for the Academic Year 2026/2027 at a Trustee meeting in December 2024 with recommendations for determination. The arrangements will then be published on our website and with the Local Authority.

Consultation will take place between 21st October and 1st December 2024. This document will be available on the school and local authority websites from 21st October 2024. Parents will be notified by email/letter and we will also consult by email/letter with the local authority and by email to those admission authorities within the relevant statutory consultation area as defined by the local authority. We will also request all relevant schools in the local area to circulate the document to their parent/carers. A paper copy will be available on request.
