Challenger Troop

Year 6 Residential Trip

9th – 11th September 2024

This 2 night / 3 day residential trip gives pupils the opportunity to take part in a range of hands-on activities, giving them the chance to really get to grips with life in the outdoors. Providing them with a unique environment in which to learn and interact.

Challenger Troop utilises a selection of exciting and engaging activities which are not only a lot of fun, but which offer a stimulating alternative approach to learning, in a predominately outdoor environment.

Pupils are given opportunities to participate in bushcraft, fieldcraft and sports and outdoor adventure activities, together with teambuilding and popular games with a twist, designed to challenge them physically and mentally.

The programmes not only compliment the national curriculum but also offer the opportunity for pupils to develop self-confidence and self-esteem whilst making friends and gaining valuable life skills prior to the students' transition to secondary school.

More information can be found on the Challenger Troop website
