

Welcome to St Stephen's Junior School Sports Day 2024!

We are delighted to welcome you to what promises to be an enjoyable morning with lots of fun sports and games competitions between our four houses (Manwood, Langton, Loretta and Hales).

As well as having various competitions taking place all morning, the children will be taking regular breaks at water and fruit stations.

There will be a refreshment station for parents situated outside Iguana class as you first walk through the school gates.

We would like parents to follow their child's class around the events (there is a map attached) but please do not walk across any of the competition areas.

We hope you have a fantastic morning.

Miss Butcher and Miss Reynolds
