Madagascar: A Musical Adventure Junior Red and Blue Cast.

Dear Parents and Carers,

We hope this letter finds you well. We are writing to provide you with important details regarding the upcoming summer production: **Madagascar: A Musical Adventure Junior**.

The dates for the production are: Thursday 11th July and Friday 12th July, with performances split into two casts: **Red** cast and **Blue** cast. The main characters and speaking parts will perform as their part in one evening performance.

We made the decision to split into two separate casts due to the vast talent we were met with during the audition process. This arrangement ensures that all children have an opportunity to shine on stage and experience different roles within the production. Both casts will showcase the hard work and talents of our students, with each child expected to perform in both shows. This diversity of roles provides valuable learning experiences and helps develop their confidence and versatility in performing arts.

To further explain:

If your child has been assigned a main character role on Thursday, they will play a different role on Friday, such as an extra and participating in class dances. Therefore, we do expect children to attend and perform in **both** shows.

Thursday 11th July – **Red cast**

Friday 12th July – **Blue cast**

Tickets:

We know families are keen to attend performances to cheer on and celebrate the children. Information about purchasing tickets will be made available soon. We will send reminders about the casting information so you can ensure you purchase for the correct show.

If you have any questions regarding the summer production or your child's role, please contact us via the school office or Class Dojo.

Thank you for your continued support and collaboration in making our school productions a success. We look forward to seeing you at the summer production and celebrating the creativity and dedication of our students.

Yours faithfully,

Miss Williams, Mr May, Mr Andrews, Mrs Collis and Miss Fright
