

Welcome to Term 4!

We hope that you all had a restful break and are ready for the excitement that a new term brings. Some key information about this term is included below. Please refer to our Curriculum Overview for more specific details about what to expect. We are really looking forward to welcoming you back.

Highlights from last term

The children loved their DT days where they planned and made their own prototype playgrounds. They were very successful and looked impressive!

We wrote biographies about influential figures and presented these beautifully.

Homework Reminders

We prepare for the transition to Year 7 through setting homework. The children begin to learn to take responsibility and ownership of their learning.

Reading

Children should be reading for 20 minutes each day. Complete Accelerated Reader quizzes once you've finished. Please ask your teacher for your login if you need it.

Spelling

On Mondays, the children are taught a spelling pattern of 10 words. These are tested on the following Monday.

Maths

Children should continue practising times tables to improve fluency, confidence and speed. Times Tables Rockstars and Hit the Button are good resources to support with this. Each Friday, between 10 – 20 questions linking to arithmetic are given out for children to complete.

Spare copies of homework are available from your class teacher.

Dance lessons – Tuesdays

Street dance is our focus!

Reminders

Please make sure your child comes to school each day with a water bottle (filled with water), healthy snack and any necessary equipment (black handwriting pen, pencil, glue stick, ruler and rubber).

Our P.E days are Monday and Tuesday. Please send children into school in their P.E kits on these days.

The correct school uniform should be worn every day. Hoodies and jumpers with slogans are not part of our school uniform.

Please go to the Office if you need anything.

Thank you from the Year 6 team.
