

### PSHE

This term we think about **“Celebrating Difference.”** This links strongly to our school value of Belonging. We will be thinking about cultures and our own ideas, and how we can best enable others to feel respected and like they belong.

### Maths

We will continue our learning on multiplication and division, and we will then move on to learning about fractions. This can be a tricky topic, so we will use every opportunity to use physical investigations to explore fractions.

### Science

This term we will be learning all about our solar system and space beyond. This promises to really grab the children’s imagination!

### Computing

Our focus this term will be on the **coding**. We will be using the program Scratch to create our own games. If you would like to explore games that can be created on the platform, please visit [scratch.mit.edu](http://scratch.mit.edu)

### English

Our reading lessons will continue to be based around the book *Rooftoppers* by Katherine Rundell. as well as continuing to read extracts from a range of fiction and non-fiction texts. Through our reading lessons, we will develop the **VIPER** skills: widening our **v**ocabulary, making **i**nferences, making **p**redictions, **e**xplaining author intentions, **r**etrieving information and **s**ummarising. Our writing focus will be on narrative creation inspired by *Clockwork Crow*. We will also be writing our own book reviews.

### RE

Our learning about **Christianity** this term will focus on concepts like charity, special places and the importance of forgiveness.

### Art

We will be continuing to look at landscapes, learning to review and evaluate our own work.

### History

We are learning about **The Victorians** this term. We will discover what life was like in Britain at the time, and making comparisons to modern-day Britain throughout.

### PE

This term we will continue to develop our movement and body control through gymnastics. We will work on our flexibility through yoga.

### Spanish

This term we will be learning about places in the city. We will then look at Christmas in Spain.

### Music

We will be listening to music inspired by space. We will listen to Holst’s Planets, and explore the compositions.
