

Year 3 Curriculum Term 3

PSHE

Our PSHE unit this term is "Dreams and Goals." We will think about our own dreams and goals, how we feel before taking on the challenge as well as how we feel after. We will also be thinking about barriers to achieving goals and how we over comes these.

Computing

Our focus this term will be on computer networks. We will be learning about different types of computer network and the elements that make up a basic network including clients, servers, switches and hubs.

Design and Technology

We will investigate a variety of different vehicles before undertaking the fun task of designing, making and evaluating our own vehicle. We will learn all about wheels, axles and chassis and how they are combined to make the framework of the vehicle.

Maths

Firstly, we are going consolidate our knowledge on the 2, 5 and 10 times tables before moving on to our 3, 4 and 8 times tables. We will be using arrays to help us with our multiplication and division facts. We will also be learning about the difference between grouping and sharing. After, we will be learning how to multiply a 2 digit number by a 1 digit number. We will be drawing out our workings or using the grid methods.

$4 \times 2 =$ $5 \times 2 =$

 $2 \times 4 =$ $2 \times 5 =$

✖	20	6	
5	100	30	= 130

PE

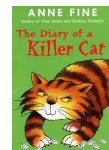

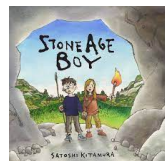

Our focus in PE this term is gymnastics. We will learn about travelling, rolls and jumps.

Spanish

We are learning our numbers to 10, colours and animals.

English

Our reading lessons will be based around the books "Sam Wu is not Afraid of the Dark" Through these texts, we will develop the **VIPER** skills: widening our **v**ocabulary, making **i**nferences, making **p**redictions, **e**xplaining author intentions, **r**etrieving information and **s**ummarising. Our writing focus will be on narrative inspired by the book "Book Eating Boy" and a Biography.

Science

In Science, we are learning about fossils. We will be exploring fossils as well as learning about fossil formation. After, we will be learning about soils, the importance of soil and carrying out own on soil experiment.

RE

In RE, we are learning about Christianity. We are learning to retell Bible stories when miracles have happened and question whether Jesus really did perform miracles.

Geography

In Geography, we are learning about settlements. We will be focusing on the question 'Are all settlements the same?' We will be locating some cities in the UK, describing the difference between villages, towns and cities and learning about our local area.
