

PSHE

This term we think about “**Relationships.**” We will be thinking about how we interact with others both in real life and online. We will think about how it is important to keep ourselves safe, and also to treat others with respect.

Maths

This term, we will learn about statistics, and shape. We will learn the properties of 2D and 3D shapes. We will then look at position and direction.

Science

This term we will be learning all about how plants reproduce. We will carry out experiments with plants, identifying their parts.

Computing

We will be starting an exciting new Computing topic this term. We will be looking at programming physical devices. We will also carry on the important lessons we began about staying safe online.

English

Our reading lessons will continue to be based around the book *The Night Bus Hero* by Onjali Q Rauf. Through our reading lessons, we will develop the **VIPER** skills: widening our **v**ocabulary, making **i**nferences, making **p**redictions, **e**xplaining author intentions, **r**etrieving information and **s**ummarising. Our writing focus will be narrative based on *Gorilla* and writing non-chronological reports.

RE

Our learning about **Sikhism** this term will focus on Easter and the big concepts of commitment and prayer.

DT

We will be learning to make cushions. We will analyse existing products, design our own and then create them using a range of techniques.

PE

This term we will be playing striking and fielding games – rounders. We will develop our hand-eye coordination and teamwork.

Spanish

This term we will be learning about describing our homes, and then cafes and restaurants.

Geography

We are learning about **Why do Oceans Matter?** We will discover what life is like in the ocean, and how humans have an impact on marine life.

Music

Music will link closely to our year group production. The children will be learning about song writing and composition. They will work on pieces to perform in their showcase.
