

Welcome to Term 6!

Here we are, in our last term at St Stephen's Junior School! It has been such a privilege to be a part of Year 6's learning journey and to watch them develop – both academically and personally. Whilst it is hard to say goodbye, it is so exciting to see them stride forward into the next stage of their school career.

Fortunately, we do have a whole term to enjoy each other's company, with lots of fun events and learning opportunities planned.

Highlights from last term

- Year 6 DT day
- Year 6 were very happy to have finished SATS! The adults were really impressed with the children's resilient approach towards these assessments.
- The Year 6 production 'SHREK' was announced. Children auditioned for roles in the production, roles were announced and we began rehearsing songs.

Production Reminders

We are going ahead with our Year 6 Production. This year, it will be 'Shrek: The Musical'. We were amazed with the amount of children who auditioned for a role in our production – the children are very talented! There will be an opportunity for every child in Year 6 to be involved with the production and the children have already loved learning songs!

The performance will be shown with a split cast with each group having the opportunity to perform. The performances will be shown Thursday 10th and Friday 11th July. We will let you know ASAP which day and time your child will be performing. The production is a real team effort and your child will need to come back to the theatre on the evening of the performance. We appreciate the extra effort this entails.
